**SPEAKER:**

**Sonia Huntley, MD**, previously practiced in a very busy clinical setting as a board certified Internal Medicine physician. She glimpsed the patient’s perspective while helping her young son with terminal cancer and her mother with Alzheimer’s disease. She now guides clients through the increasingly complex health care maze via her business **Health Advocate Services, L.L.C.** Services include care management, summarizing medical records, and facilitating communication between clients and the health care system.

After receiving a B.S. from the University of California at Davis, Sonia worked as a research biochemist in the diagnostic and then pharmaceutical industry for 4 years. She obtained her M.D. from the University of California at San Diego and Internal Medicine residency training from Oregon Health Sciences University.
